

Mobility and Place Matter.

Choosing to live in affordable housing located in diverse, mixed-income neighborhoods that provide access to **strong schools, parks, public transportation**, or other benefits for you and your family can help improve outcomes related to:

- Overall Health
- Educational Opportunities
- Economic Outcomes

To learn more about affordable housing in opportunity neighborhoods go to www.FairHousingAkron.org/education/housing or call 330-376-6191
